Dear Parents & Potential Members:

Thank you for your interest in becoming a part of a new and dynamic dance team – Unique Precision. We desire to offer a professional, yet personal environment to produce individual growth and personality. My company understands that every athlete is different and we hope to bring out the best in all aspects involved in dance. I am here to teach that hard work and dedication can provide positive results while having fun simultaneously.

LaMorne's Dance is looking for young women that are willing to commit a full year to this squad. This squad is not for everyone. This is a very competitive squad, which is very different from any grade school level or recreational team you/your child has been a part of. Being successful with Unique Precision requires very strict attendance and structured workouts. Commitment is paramount to each member's ability to succeed.

With Unique Precision, they will experience professionalism at its best. The squad will have opportunities to make community & charity appearances, other state functions, and compete. Our team will ensure that everything is well organized and detail oriented for an experience that is beyond their dreams. Regardless of whether this is a favorite past time or a future endeavor; we want to be the strongest base for them to reach their goals in life.

I hope your experience with Unique Precision will leave an everlasting impression on you and your child. Your child will have an experience and friendships they will remember for a lifetime.

Sincerely,

Tracie L. James-Wade
