

COMMUNITY DANCE SHOWCASE 2010

Guidelines for Participation

1. Participant(s) should prepare and perform **up to a 3 minute** dance routine. Keep in mind that this is a *family oriented event held on the campus of a Christian University*. The attire should be appropriate for the routine performed. Due to time constraints, each group can only perform one routine. This will also enable us to present a variety of dance styles.
2. Each group receives two free tickets. All dancers will receive a backstage pass. You must provide us with an accurate number of dancers on your participation form. Passes are allotted based on this number. Please inform all parents and guests that they will need to purchase tickets. They will not be allowed backstage.
3. Provide a copy of your music on a clearly labeled CD at the tech rehearsal. Tech rehearsal is scheduled for **Thursday, April 29, 2010**. You will receive more details soon.
4. Complete and return the participation form and tech sheet. You may email or fax these forms no later than **Friday, April 2, 2010**.
5. If you would like to be listed as a location where people can purchase tickets, please contact us no later than **Friday, April 2, 2010**.
6. All participants have the opportunity to place an ad at a reduced rate in the program that will be distributed during the event. Contact us for more details no later than **Friday, April 2, 2010**.
7. There will be a calendar of dance events in the program. If you have any 2010 events that you would like to include, please email all details to lamorne72@bellsouth.net no later than **Friday, April 9, 2010**.
8. All participants need to arrive at Belhaven Center for the Arts **no later than 6:00pm** the day of the event and check in with the staff at the front door. Late arrival may pose a possibility of you not being able to perform. We need all groups in place before the show begins at 7pm.
